AUTHOR(S):

TITLE OF ARTICLE, PAPER, OR MANUSCRIPT ("WORK"):

SUBMITTING AUTHOR'S NAME AND ADDRESS:

COPYRIGHT TRANSFER.

In exchange for OSA accepting the work for reviewing, editing, and possible first publication on an exclusive basis and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Author(s) hereby transfer to the Optical Society of America (OSA) full ownership throughout the world of all rights, titles, and interests in and to the above-titled Work, including the title and abstract of the Work and all dataset(s), media objects (video files, image files, sound files, and their constituent computer code), and other enhancements accompanying the Work, effective upon date of acceptance of this Work for publication in the above-named Publication. OSA shall have the right to register copyright to the Work and the accompanying abstract in its name as claimant, whether separately or as part of the journal issue or other medium in which the Work is included.

The Author(s) also hereby agree that OSA may use his/her name, photo, or likeness in connection with promoting or advertising the Work and any adaptation thereof, in the journal issue or other medium in which the Work is included, and release OSA from any claim based on right of publicity or privacy.

AUTHOR(S) RIGHTS.

(a) Use in Classroom or Internal Training. The Author(s) are expressly permitted to post any portion of the Author Accepted version of the Work on the Author(s)' personal website or the servers of the author's institution or company in connection with the Author(s)' teaching, training, or work responsibilities. Examples of permitted uses are lecture materials, e-reserves, conference presentations, or in-house training courses.

(b) Personal Servers. Author(s) and/or their employer(s) shall have the right to post the Author Accepted version of the Work on their own personal servers or the servers of their institutions or employers. In the case of institutional repositories, access to the repository is limited solely to the institutions' employees and direct affiliates (e.g., students, faculty), and the repository does not depend on payment for access, subscription or membership fees. Any such posting of the Author Accepted version made after publication of the Work shall include a link to the online abstract in the Optical Society of America Journal and the copyright notice below.

(c) Third-Party Servers. The right to post and update the Work on e-print servers as long as files prepared and/or formatted by the Optical Society of America or its vendors are not used for that purpose. Any such posting of the Author Accepted version made after publication of the Work shall include a link to the online abstract in the Optical Society of America Journal and the copyright notice below.

(d) Other Proprietary Rights. Author(s) retain all proprietary rights other than copyright, such as patent rights.

(e) Government Funding Agencies. Author(s) whose work was performed under a grant from a government funding agency are free to fulfill author deposit mandates from that funding agency providing that the mandate allows for a minimum 12 month embargo. OSA does not allow for a Creative Commons Attribution (CC-BY) license.

(f) Work-for-hire. If the Work has been prepared by an employee within the scope of his or her employment or as a work made for hire, Author(s) retain the right to distribute copies of the Work for the employer's internal use.

COPYRIGHT NOTICE.

The Author(s) agree that all copies of the Work made under any of the above rights shall prominently include the following copyright notice: "© XXXX [year] Optical Society of America. One print or electronic copy may be made for personal use only. Systematic reproduction and distribution, duplication of any material in this paper for a fee or for commercial purposes, or modifications of the content of this paper are prohibited."

AUTHOR(S)' WARRANTIES.

The Author(s) warrant to the best of the Author(s)' knowledge, belief, and expertise that:

- (1) Author(s) are the sole Author(s) and sole holder(s) of all rights in the Work;
- (2) Author(s) have not previously assigned, pledged, or otherwise encumbered the Work;
- (3) the Work is original to the Author(s);
- (4) the Work has not been previously submitted for publication (unless the prior submission has been rejected unconditionally). Furthermore, the Work has not been published elsewhere, accepted for publication elsewhere, and is not pending acceptance or being considered for publication elsewhere;
- (5) the Work does not violate or infringe on any copyright or other personal or property rights of any third parties,
- (6) the Work contains nothing libelous or contrary to law;
- (7) any scientific knowledge contained in the Work is true and accurate;
- (8) Author(s) have obtained written consent as required for the use of any third-party copyrighted or unpublished material contained in the Work and will deliver the consent to OSA; and
- (9) the signing Author(s) have the full power to enter into this Agreement and to make the grants contained herein.

AUTHOR CERTIFICATIONS.

The signing Author(s) represent that, if each Author(s)' signature does not appear below, the signing Author(s) sign this Agreement as authorized agents for and on behalf of all the Author(s), and that this Agreement and authorization is made on behalf of all Author(s). If the Work belongs to your employer as a work-for-hire, you represent that you are authorized to execute this copyright transfer form, and that your employer has consented to such transfer, and to all of the terms and conditions contained herein. If you have not received such authorization, this form should be completed by an authorized representative of your employer.

Government-employee authors preparing Works pursuant to their employment should complete the certification below.

CERTIFICATION FOR GOVERNMENT WORKS-FOR-HIRE

Note: The following certification should be completed only if Author(s) were government employees at the time this Work was prepared and such Work was prepared as part of that author(s) official duties (please refer to your government job description and regulations governing the job).

U.S. Government Employees: If the Author(s) are U.S. Government Employees, this is to certify that the Author(s) (except those listed below) were officers or employees of the U.S. Government at the time the above-titled Work was prepared and that the Work was prepared as part of their official duties and therefore is not subject to U.S. copyright protection.

Other Government Employees: If the Author(s) are government employees of a country which holds government, crown-owned or crown copyright for works created by its employees, this is to certify that Author(s) (except those listed below) were Government employees of _____ (*insert name of country*) at the time the above-titled Work was prepared and that the Work was prepared as part of their official duties. As such, the work is subject to government, crown-owned or crown copyright and is not transferred to OSA. However, the Author(s) certify that OSA may use, reproduce, publish, and distribute the Work and derivatives thereof, in all formats, throughout the world.

List all non-government-employee authors (Each non-government author and/or employer with rights in the copyright to the Work should submit a separate standard copyright transfer form):
